Policy Analysis

Assignment

Purpose

The purpose of this assignment is to develop competency in policy analysis. This assignment will allow for discovery into the impact of policy on healthcare and supports the professional formation of the nurse practitioner practice role.

Course Outcomes

This assignment enables the student to meet the following course outcomes:

CO 1: Examine leadership competencies and underpinnings essential for advanced nursing practice. (POs 1, 2, 3, 4, 5)

CO 2: Evaluate factors that influence healthcare delivery across diverse settings. (POs 1, 5)

CO 3: Appraise health policy and advocacy at all levels of the healthcare system. (POs 4, 5)

CO 4: Apply advocacy for the development of health policy to advance healthcare outcomes and equity. (PO 5)

CO 5: Develop professional competencies to lead in diverse healthcare settings. (POs 2, 3, 4, 5)

Due Date

Submit your presentation to the Dropbox by 11:59 p.m. MT Sunday at the end of Week 6.

Students are expected to submit assignments by the time they are due. Assignments submitted after the due date and time will receive a deduction of 10% of the total points possible for that

assignment for each day the assignment is late. Assignments will be accepted, with penalty as described, up to a maximum of three days late, after which point a zero will be recorded for the assignment. Quizzes and discussions are not considered assignments and are not part of the late assignment policy.

Total Points Possible

This assignment is worth 225 points.

Preparing the Assignment

Follow these guidelines when completing each component of the assignment. Contact your course faculty if you have questions.

General Instructions

Research healthcare issues that have been identified in your local community. Note: you may use the information you discussed in this week's Collaboration Café. Create a PowerPoint Presentation and address the following requirements:

1. Review Wilensky, S. E., & Teitelbaum, J. B. (2023). *Essentials of health policy and law* (5th ed.). Jones & Bartlett Learning. Chapter 14: The Art of Structuring and Writing a Health Policy Analysis

2. Download the **Week 6 Policy Analysis PowerPoint template** ⊡ **(https://cdn.brandfolder.io/74235FBJ/at/rnkf5vckt9kgs9j724vwht/NR582NP_P6_Week_6_Policy_Analy** . Use of this template is required. If the template is not used, a 10% deduction will be applied. See the rubric. Save the template and include your name in the file name.

3. Complete the required Week 6 Policy Analysis PowerPoint.

4. Follow APA rules for grammar, spelling, word usage, and punctuation consistent with formal, scholarly writing.

5. Use PowerPoint's Notes Page view feature to include speaker notes. Speaker notes should be included for all slides except the title and reference slides. Use complete sentences.

6. Include in-text citations in APA format when applicable.

7. Submit the presentation as a .ppt or .pptx file to the Week 6 Dropbox. PDF files are not accepted, as speaker notes are not visible.

8. Abide by Chamberlain University's academic integrity policy.

Include the following sections (detailed criteria listed below and in the grading rubric):

1. **Title Slide** (1 slide)
   a. Include your name and session.
2. **Introduction** (1 slide)

   a. Identify the purpose of the presentation.

3. **Problem Statement** (1 slide)

   a. Define the problem you will address in your analysis in a succinct, 1-2 sentence statement.

   b. Write the problem statement in the form of a question. You may reuse the problem you identified for this week's collaboration café.

4. **Background** (1-3 slides)

   a. Provide factual information to define the problem.

   b. Include general information about the topic.

   c. Describe why the topic is important.

   d. Explain why the topic needs to be addressed now.

   e. Provide in-text citations from a scholarly source.

5. **Landscape** (1-3 slides)

   a. Identify relevant stakeholders.

   b. Explain stakeholder concerns related to the problem.

   c. Identify key factors that must be considered when analyzing the problem.

   d. Discuss the relevance of each key factor.

   e. Provide in-text citations from a scholarly source.

6. **Options** (1-3 slides)

   a. Identify at least three evidence-based options to address the problem.

   b. Discuss the pros and cons of each option.

   c. Provide in-text citations from a scholarly source for each evidence-based option.

7. **Recommendation** (1-3 slides)

   a. Identify the best option to address the problem.

   b. Explain why your recommendation is the best solution.

   c. Discuss mitigating strategies for any cons identified for the selected option.

   d. Provide in-text citations from a scholarly source.

8. **Conclusion** (1 slide)

   a. Provide a summary of the presentation.

9. **References**

   a. Provide complete reference in APA format, may use bullets. Hanging indents are not required.

Presentation Format

1. The presentation should total 7-15 slides (excluding title and reference slides).
2. Color schemes, font style, and size are consistent on each slide.
3. Graphics and images (if used) are professional and appropriate.
4. Speaker notes are provided for each slide (except the title and reference slides).

5. Information included in speaker notes is presented in complete sentences, supports slide contents, and has appropriate citations.
